Date:	Signature and seal of applicant:

<sup>1</sup> The code of the allocation determines border and direction: HRSI from Croatia to Slovenia; SIHR from Croatia to Slovenia; HRBA from Croatia to BiH; BAHR from BiH to Croatia; HRSR from Croatia to Serbia; SRHR from Serbia to Croatia; HRHU from Croatia to Hungary; HUHR from Hungary to Croatia.

<sup>2</sup> Sum of all bids needs to be lower or equal to the amount of crossborder transmission capacity offered on the auction for each direction on the borders RH – SI, RH – BA I RH - RS.

<sup>3</sup> Value of the bid is greater or equal to **1 MW**.

<sup>4</sup> Value refers to base value of crossborder transmission capacities and its minimum is 0,01 kn/MW

<sup>5</sup> If “all or nothing” filed is left blank/empty, bid shall be received as “until full allocation” type
